

Common Grazing Dilemmas - No 10

Farm
Advisory
Service

In this series, we look at some different dilemmas facing Common Grazings and some ideas for resolution.

The Common Grazing is considering forestry

The committee should seek professional guidance at an early stage; this may incur costs and therefore fundraising from shareholders.

The committee need to establish how many shareholders wish to participate in a forestry scheme and they are obliged to take forward an application even if only one shareholder makes the proposal.

The committee must seek the consent of the owner. 119. (a) (g) (h) (j) (m)

The committee must issue a notice to all shareholders clearly showing the allocation of expenditure and confirming the intended use and allocation of any arising income.

The committee must maintain a separate account of all transactions relating to the forestry.
