100 to less than 200 ha

20 to less than 50 ha

200 ha and over

50 to less than 100 ha

10. Businesses who have received an Integrated Land Management Plan may receive up to two specialist advice plans during the period 2016-2020. Specialist plans in the topics listed as 2-8 in the table below are fully funded up to a maximum of £1000 per plan (the business must pay the VAT in full). Farm efficiency plans may receive funding for up to 50% of the costs, up to a maximum of £500 funding per plan (again VAT must be paid by the business). Please indicate the areas in which you require specialist advice at this stage?

1. Improved farm efficiency

5. Woodland management and conservation

2. Climate change adaptation and mitigation

6. Water pollution, prevention and control

3. Soil and nutrient management

7. Organics

4. Biodiversity, habitat, landscape
management

8. Archaeological & historical site advice

Please provide any further detail or background to your requirements and justification for the need for specialist advice.

11. Is the business VAT registered?

Yes

No

Section 2: Declaration

- I have read the scheme booklet and agree to abide by the scheme rules.
- The answers given in this form are correct and I accept full responsibility for them.
- I accept that making a false or misleading statement, which leads to a fraudulent claim may result in to this grant being refused or reclaimed from my adviser.
- I confirm that I am authorised to make this application on behalf of the business detailed in Section 1.

Please note, up to £500 (50% of costs) will be paid towards business efficiency advice and up to £1,000 (or 100% of costs) towards the other topics (for reference see topics listed 2-8 in question 11), this will be paid directly to the provider of the service, you will be responsible for paying the provider the balance of any costs and the total VAT on the service.

I have included a quotation from my selected specialist advice provider describing the service and the cost

Yes

No

Signature
