**To let by Tender**

A stock Farm extending to about 123 Ha

## 1.0 FARM FACTS

Crairiehill Farm amounts to a 123 ha (306ac) or thereabouts grassland farm and lies between 80m and 130m above sea level. The farm has a four bedroom stone built farmhouse and a range of buildings suitable for stock.

The holding is being offered on a ten year Limited Duration Tenancy commencing on 1<sup>st</sup> October 2015. There is the option to take the farm with or without the Farmhouse. A specimen copy of an LDT is supplied on the USB memory stick.

The farm was previously tenanted from 28<sup>th</sup> May 1963 until 28<sup>th</sup> May 2015 under a 1991 Act tenancy. The tenant terminated the lease to retire from farming and to concentrate on other interests. Since the Estate took vacant possession the land has been let as seasonal grazing.

The farm lies approximately six miles north of Thornhill off the main A76 Dumfries to Kilmarnock trunk road.

## 2.0 LAND
